

A confirmation statement of the revocation of electronic certificates upon delivery of a debit card

By my signature here below, I the undersigned, request to receive my debit card but also request that electronic certificates which have the following serial code identification numbers and are filed in the card, will not be activated:

- Identification certificates: <serial-number identification certificate>
- Signature certificates: <serial-number signature certificates>
- Name: <CN>
- Identification number: <subject-serialnumber>

Furthermore, I confirm my understanding that the aforementioned electronic certificates will herewith be permanently invalidated and that a later request for electronic certificates in a debit card from the same financial institution can bring about a cost payable by myself.
